The Honorable Carmine Boal,
Chief Clerk- Iowa House of Representatives
State Capitol
Des Moines, Iowa 50319

Dear Secretary Marshall and Chief Clerk Boal,

On behalf of the Iowa Department of Education, I am hereby reporting that there have been no requests or issuances of disaster waivers by this department. Iowa code 256.9 requires that this department report to each of you whether such waivers take place and that information be distributed to the following individuals:

- a) Speaker of the House
- b) President of the Senate
- c) Chairpersons of appropriate standing committees

This information is being submitted through the electronic system, as well as directly to you today. It will also be posted on the Iowa Department of Education website. Please see that on your end it is properly distributed as the code dictates and we appreciate those efforts. Should any emergency waivers take place after this submission and before the end of the calendar year, we will update this but otherwise this letter will serve as our report for the past year.

Please contact me further on this matter should questions arise. We are glad to be of service to each of you and the bodies that you represent.

Sincerely,

A handwritten signature in black ink that reads "Mike Cormack".
